The Department of Home Affairs (DHA) requires you to maintain OSHC for the duration of your time on a student visa in Australia. If student does not have an OSHC, TEDI can assist you in arranging OSHC from amongst several providers of OSHC in Australia, for the duration of your student visa.

- A copy of the CoE will be filed in the student's file and the Student Management System will be updated, and
- CoE will be used by the students to apply for a student visa (where applicable).

6.9. Enrolment Form

Students are required to complete Student Enrolment form (Appendix 1) on Orientation Day prior to the course commencement. Enrolment form must be filled by the student. It is done to ensure that the Institute receives current and latest contact details of students.

Language Literacy and Numeracy test

As mentioned above in the entry requirements section, all students wanting to study at TEDI are required to undertake LLN Test prior to the commencement of the course. The LLN test will be conducted on campus by using an ACSF mapped online LLN assessment tool - LLN Robot (<https://tlrg.com.au>), under the supervision of a qualified LLN assessor.

Education agents or any third party will not be authorised to conduct PTR or LLN test on behalf of TEDI. LLN will be conducted under the supervision of qualified assessors at the Institute.

Students are required to bring their photo ID such as a passport or driver's license to authenticate their identification. Kindly refer to LLN policy for more details which can be made available from the Institute.

7. Deferment and Suspension

This standard sets out that the registered provider i.e., TEDI will appropriately manage the enrolment of their overseas students and ensure that all the necessary information about enrolments has been provided to the relevant government department by maintaining updated information in the Provider Registration and International Student Management System (PRISMS) database. Under compassionate or compelling circumstances, students will be able to defer, suspend or cancel their enrolment. TEDI may suspend or cancel a student's enrolment based on:

- Misbehaviour by the student,
- Student's failure to pay an amount he or she was required to pay the Institute to undertake or continue the course as stated in the written agreement.
- a breach of course progress requirements by the overseas student, which must occur in accordance with Standard 8 (Overseas student visa requirements).

Kindly refer to TEDI's Deferral, suspension, and cancellation policy available on TEDI's website for more details.

8. Transfer between Registered Providers

TEDI will not knowingly enrol an overseas student seeking to transfer from another registered provider's course prior to the overseas student completing six months of his/her principal course, except where any of the following apply:

- Releasing registered provider, or the course in which the overseas student is enrolled, has ceased to be registered.
- The releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the overseas students from continuing his/her course at that registered provider.
- Releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS.
- Any government sponsor of the overseas student considers the change to be in the best interest of that student and has provided written support for the change.

For more information on transfer between registered providers, please refer to TEDI's Transfer between providers policy available on TEDI's website.

9. Attendance, Course progress and Support

TEDI has a Course Monitoring and Attendance Policy which states that students are required to maintain satisfactory course progress throughout the course. Students are also required to attend their classes and maintain 80% of attendance throughout the course. Low attendance implies that students might not be able to

complete their course on time and this will lead to students demonstrating unsatisfactory course progress. Hence, students are required to attend classes in accordance with course timetables to make satisfactory course progress.

Under the Education Services for Overseas Students Act 2000 and the National Code 2018, TEDI will report the students demonstrating unsatisfactory course progress (failing to complete at least 50% of units for two consecutive study periods) to the Department of Home Affairs (DHA) via PRISMS. If students continue to fail the course progress requirements for two consecutive study periods, they will be reported to the Department of Home Affairs.

Satisfactory course progress: successfully completing or demonstrating competency in at least 50% of the units in given study period.

Note: Students will not be reported based on attendance. However, low attendance may lead to unsatisfactory course progress which can lead to you being reported to DHA.

Student's attendance will be recorded at each scheduled class, and it will be reviewed by the trainer in attendance records. Unsatisfactory attendance may lead to unsatisfactory course progress which can lead to you being reported to the DHA based on unsatisfactory course progress. Students are advised to refer to TEDI's Course Monitoring and Attendance policy for more details. You may also contact TEDI's Administration department for further information.

10. Copies of Documents

Students are responsible for keeping a copy of the student's agreement and receipts of any payments of tuition fees or non-tuition fees.

TEDI will retain a copy of the written agreement and payment receipts for at least two years after the overseas student ceases to be an accepted student.
