7. Procedure

All students' refunds are conditional on the following:

A. COURSE WITHDRAWAL

- i. Where a written notice of withdrawal is received by the Institute at least **12 full weeks or more before the agreed start date** of the course or term, the Institute will refund 100% of the fee received except application fee.
- ii. Where a written notice of withdrawal is received by the Institute within **6 to 11 full weeks before the agreed start date** of the course or term, the Institute will refund 50% of the fee received except application fee.
- iii. Where a written notice of withdrawal is received by the Institute within **5 full weeks or less before the agreed start date** of the course or term, no refund will be provided.
- iv. Where a written notice of withdrawal is received by the Institute **after the start date** of the course or term, no refund will be provided.
- v. Where the student defaults, including withdrawing from a course, after the course/term start date, students will be liable to pay full tuition fee for that study period and there will be no refund of paid tuition fees.
- vi. It should also be noted that if the student's enrolment falls within no refund timelines before the agreed start date of the course, then there will be no refund.

For example: If a student enrolls in week 5 before the course start date, he/she will not be eligible for refund as the enrolment falls in no refund time period of 5 full weeks prior to the agreed start date of the course.

- vii. If the refund application is approved, refund will be paid within the period of 20 working days after receiving a written notification/claim from the student and relevant forms duly signed by the student.
- viii. The Institute must have received funds in order for any refunds to be made available (i.e. cheques are cleared, telegraphic transfers have been received).

B. STUDENT DEFAULTS

An overseas student or intending overseas student defaults, in relation to a course at the location, if the student himself/herself initiates termination of enrollment like:

- a) the course starts at the location on the agreed starting day, but the student does not start the course on that day (and has not previously withdrawn).
or
- b) the student withdraws from the course at the location (after the agreed starting day).
or
- c) the Institute refuses to provide, or continue providing, the course to the student at the location because of one or more of the followings:

Email: admissions@tedi.vic.edu.au

- i. the student failed to pay an amount payable to the provider for the course.
- ii. the student breached a condition of his/her student's visa and his/her visa has been refused.
- iii. misbehavior by the student {Note: the student is entitled to natural justice under subsection 47A (3)}

Note: If students do not commence studies in a course (i.e., the student does not start the course on that day) or when they are due to commence and have not notified the Institute in writing within 21 days of the course commencement, then student's enrolment will be cancelled based on non-commencement of studies.

A student does not default for failing to start a course on the agreed starting day if he/she does not start that course because the provider defaults in relation to the course at the Institute.

TEDI will pay the refund to the following person:

- a. the student
- b. if a person (other than the student) is specified in the written agreement to receive any refund- the specified person.

TEDI will pay the refund within the period of 20 working days after receiving written claim from the student.

C. VISA REFUSAL

If a student's visa application or visa renewal is refused by the Australian Government prior to commencement, a refund of course fees will be made, and visa refusal refunds will be calculated in accordance with the legislative instrument under subsection 47E (2).

The calculation under subsection 47E (2) is as follows:

The amount of unspent pre-paid fees that the provider must refund the student for the purpose of

Subsection 47E (2) of the Act is the total amount of the pre-paid fees that the provider received for the course in respect of the student less the following amount (the lesser of):

- a) 5% of the total amount of pre-paid fees that the provider received in respect of the student for the course before the default day; or
- b) the sum of \$500.

Students must provide the Institute with substantiated evidence of their student visa refusal.

If an international student currently in Australia has their student visa application refused by the Department of Home Affairs (DHA) after the commencement of their studies; refund will be calculated as follows:

The refund amount = weekly tuition fee x the number of weeks in the default period

a. The weekly tuition fee = total tuition fee for the course / number of calendar days in the course x 7. This amount is rounded up to the nearest whole dollar.

b. Weeks in default period: number of calendar days from the default day to the end of the period to which the payment relates/7

or

The number of weeks in the default period = the number of weeks (i.e., calendar days divided by 7, rounded up to the nearest whole number) in the unexpired portion of the course after the default day, in relation to which TEDI has received tuition fees.

Technical Education Development Institute (TEDI)

Ph: 03 8725 2061, Website: www.tedi.vic.edu.au
Email: admissions@tedi.vic.edu.au

If TEDI has only received an installment of tuition fees for part of the course, the weeks in default period would be the number of weeks between the default day and the end of the part of the course to which the installment relates.

If the number of weeks calculated is not a whole number, round the number up to the nearest whole number.

No refunds will be granted where an international student currently in Australia has their student visa cancelled by the Department of Home Affairs (DHA) for a breach of visa conditions.

If Visa refused due to the submission of the fraudulent documents by or on behalf of the student, no refund will be provided to the student.

D. PROVIDER DEFAULT

I. In the unlikely event that the Institute is unable to start or deliver the course (known as provider default), the student can choose to accept either:

- i. A refund of course fees, which will be issued to the student within 14 days.*
- ii. Or be placed in an alternative course with the Institute or another provider. If the student chooses this option, they must sign a new written agreement to indicate that they have accepted the placement.*

II. If the student chooses to receive a refund of course fees, the Institute will calculate the unspent portion of tuition fees paid to date (i.e., tuition fees the student has paid for, but which has not been delivered by the Institute). The refund will be paid within 14 working days after the cessation of the course.

III. If the Institute is unable to provide a refund or place the student in an alternative course, the TPS will provide the student with options for suitable alternative courses (if any such courses are available), or if this is not possible, the student will be eligible for a refund as calculated by the TPS Director.

E. Deferment, Suspension, Cancellation

i. There will be no refund of money paid towards initial deposit if a student requests to defer to any following intake/s before the commencement of the course initially applied for due to personal reasons.

ii. If a student withdraws after any number of deferments, in such case, the date on the original CoE will be considered for the purpose of determining the date of commencement of semester/course in relation to TEDI's refund policy and other related policies.

F. SPECIAL CIRCUMSTANCES

Where a student withdraws from the course and returns home because of exceptional and extenuating circumstances of a compassionate nature, such as a death or severe illness in the immediate family, 100% of all the unspent fees paid, less any application fees, will be refunded.

III. Student's Rights to Appeal

- a) Any student who is refused for a refund by the Institute may appeal within 20 working days in writing to the student Administration Officer and follow the complaints and appeal process of TEDI.
- b) The Institute's appeal process does not restrict the student's right to pursue other legal avenues.
- c) The written agreement and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to act under the Australian Consumer Law if the Australian Consumer Law applies.

8. Tuition Protection Services

Protection of tuition fees paid in advance by student visa holders is undertaken in accordance with ESOS requirements and the Tuition Protection Service Framework. The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students can either:

- Complete their studies in another course or with another education provider or
- Receive a refund of their unspent tuition fees.

TEDI is compliant with the ESOS requirements of the Tuition Protection Service (TPS), which is a replacement and refund service for international students.

Regarding the above, TEDI follows arrangement no 2. The Institute is a member of the Tuition Protection Service (TPS). This means that the fees paid to the Institute are safeguarded if the Institute defaults on delivering the courses you are enrolled in.

It is an unlikely event that TEDI is unable to deliver a course that you have paid for and does not meet their obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid tuition fees (this is called a provider default obligations), the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

For more information on Tuition Protection Service visit: <https://tps.gov.au>
