

CRITICAL INCIDENT POLICY

True Education Pty Ltd t/a Technical Education Development Institute and t/a Technical Electronics Centre (hereby referred as TEDI)

1. Purpose

Technical Education Development Institute has a duty of care to protect and provide the highest possible standard of health and safety for its students, staff and visitors. TEDI aims to be in state of preparedness to deal with any critical incident which may arise during on campus and off campus activities through effective planning, management and rehearsal.

The purpose of this policy is to recognise the duty of care owed by the Institute to all the people associated with TEDI in accordance with ESOS Act National Code 2018 Standard 6 (Ref 6.8) and Outcome Standard 2.6 of the Standards for RTOs 2025.

TEDI has implemented a documented policy and process for managing critical incidents that could affect the student's ability to undertake or complete a course, such as but not limited to incidents that may cause physical or psychological harm. Critical incidents may include but are not limited to: death or serious injury, missing students, severe verbal or physical assault, fire, natural disaster, drug or alcohol abuse, mental health crisis, and threats to life or property.

This policy includes contact information of the police, emergency services and any other organisations that may be able to assist in critical situations, for example, community/multi-cultural organisations or phone-counselling services. This policy applies to all students, staff, contractors, and visitors engaged in TEDI activities, on or off campus. This policy is supported by documented procedures, reviewed regularly as part of TEDI's continuous improvement process

2. Responsibility

The CEO is responsible for the implementation of this policy and to ensure that staff and students are aware of its application and that the staff implements its requirements if necessary. Staff and students will be informed of the policy through induction and regular updates via the Newsletter and regular campus communications.

TEDI will maintain a written record of any critical incident and remedial action taken by TEDI for at least two years after the overseas student ceases to be an accepted student to comply with standard 6.8 of the National Code 2018. Records will be retained in line with TEDI's Records Management Policy.

TEDI will assist staff and students to prevent or respond promptly, effectively and appropriately to any incident (within or outside Australia) which is likely to cause loss of life, injury, trauma, damage, or disruption. The Campus Manager, Training Manager, Student Support Officers, and trainers/assessors are also responsible for executing incident response procedures as per TEDI's Critical Incident Procedure document.

TEDI also ensures ongoing welfare support is provided to affected students, staff including access to counselling services, academic adjustments if needed, and referrals to external services.

TEDI will ensure that:

- An effective approach is taken to respond to critical incidents as they occur
- Support and counselling services are available to those who are affected by critical incidents
- Training and information resources are provided to staff in the handling of critical incidents.

- The Critical Incident Team is responsible for coordinating responses and ensuring training effectiveness is monitored and reviewed.
- Support and counselling services will be available both onsite and via referral to external providers. TEDI ensures students are informed about these services during orientation and via the student portal.
- Responses to incidents will be timely, culturally appropriate, and tailored to the needs of affected students, including access to translated services if required.

3. Definitions

- **A Critical Incident:** is 'a traumatic event, or the threat of such event (within or outside Australia), which causes physical or psychological harms including extreme stress, fear or injury. Examples of critical incidents may include, but are not limited to: death or serious injury, suicide or attempted suicide, missing students, severe verbal or physical assault, serious mental health episodes, natural disasters, fire, domestic violence, and serious illness requiring hospitalisation.
- **ESOS Act:** The Education Services for Overseas Students Act 2000 and all the association legislation including the National Code of Practice for Providers of Education and Training to Overseas Students 2018 ("National Code 2018"). The ESOS Act sets out the legal framework governing delivery of education to international students in Australia on a student visa.
- **PEO/CEO:** Chief Executive Officer (CEO)- Manpreet Singh Oberoi Principal Executive Officer, also known as the Chief Executive Officer (CEO)- 61 3 8725 2061
- **Critical Incident Team:** A designated group of TEDI staff including the CEO, Administrative Manager, Training Manager, Student Support Officer, and Trainers responsible for coordinating the response to a critical incident.

4. Requirements

4.1 This policy and procedure cover the:

- a) Action to be taken in the event of a critical incident
- b) Required follow up to the incident
- c) Important contact
- d) Records to be kept of the incident and action taken.

This policy applies to incidents occurring during excursions or work placements on or off-campus locations within or outside Australia. The Critical Incident Team, led by the CEO, is responsible for activating the response process and coordinating all internal and external communications and support services.

Communication with affected parties will be prompt, sensitive, and culturally appropriate. Where required, translation services and liaison with family members will be arranged. Detailed response steps are outlined in the associated Critical Incident Procedure document maintained by TEDI.

4.2 Critical incidents are not limited to, but could include:

Medical and psychological emergencies - Serious injury or illness - Medical emergencies - Suicide or attempted suicide - Outbreak of contagious disease	Student/staff-related emergencies - Death of a student, staff member, or member of the public - Missing or uncontactable student - Unexplained disappearance or involuntary removal of student(s) or staff - Domestic violence or drug/alcohol abuse
Security and threat-related incidents - Threats of violence, harm, theft, or sexual assault - Dangerous or threatening person on campus - Fire, explosion, bomb threat, or gas leak - Siege, hostage situation, or weapons on campus	Environmental and structural incidents - Natural disasters such as earthquakes, floods, or windstorms - Chemical, radiation, or biohazard spillage - Major building collapse or significant property damage

4.3 Reporting to the Department of Home Affairs (DHA)

The Educational Services for Overseas Students Act 2000 (ESOS Act) requires the institute to notify the Department of Home Affairs (DHA) as soon as practical after an incident occurs to an international student or which causes an absence affecting the student's attendance. In the case of a student's death or other absence affecting the student's attendance, the incident will need to be reported to the Department of Home Affairs via PRISMS. The Administrative Manager is responsible for ensuring the incident is reported via PRISMS and all records are securely maintained. Incidents that may require reporting include student death, serious injury, hospitalisation, or deferral, suspension or cancellation of enrolment due to a critical incident.

4.4 Providing Assistance in case of serious injury or death:

When a student dies or sustains serious injury, the institute may be required to assist the student's family. This may include:

- Hiring interpreters
- Making arrangements for hospital/funeral/memorial service/repatriation
- Obtaining a death certificate
- Assisting with personal items and affairs including insurance issues
- Assisting with visa issues (in case of international students)
- Liaising with the embassy or consulate of the student's home country
- Notifying the department of home affairs via prisms where required
- Providing access to counselling and wellbeing services for classmates, staff, and affected peers
- Ensuring a culturally appropriate and timely response, with sensitivity to family customs and beliefs

4.5 Following a critical incident:

TEDI's authorised staff will analyse the response and process of the institute and implement improvements where indicated. This review will be documented as part of TEDI's continuous improvement cycle in accordance with Outcome Standard 4.4 of the Standards for RTOs 2025. Feedback may be collected from students, staff, and emergency responders

If no staff is available around you and danger to life or safety occurs, all staff members are authorized to take appropriate action including but not limited to:

- Identify nature of critical incidents and consequences.
- If consequences are life threatening or immediate danger to safety of yourself and other people, remove/evacuate yourself and others from area of danger to a safe area.
- Contact emergency services by calling 000. When you call Triple Zero (000) it will prompt if you want Police, Fire or Ambulance --> Stay calm, do not shout, speak slowly and clearly, and tell emergency services exactly:
 - Location, time
 - Nature of critical Incident (e.g. threat, accident, death or injury)
 - Names of people involved
- After providing details of emergency, contact CEO/PEO as soon as practicable. If this is not possible, then contact the senior most people available and brief them about the incident and its status along with
 - Location, time, nature of critical incident
 - Names, roles and contact information of people involved.
 - All critical incidents must be reported using TEDI's Critical Incident Report via Form.
 - The incident must also be recorded in TEDI's Critical Incident Register and stored in accordance with the Records Management Policy

CEO will seek information about the incident and make a determination about whether information about the incident should or should not be publicly available. The CEO will issue instructions to urgently deal with any emergency matter. The CEO will also ensure any mandatory reporting to PRISMS is completed (in the case of international students) and initiate a post-incident review process as required by Outcome Standard 4.4 of the Standards for RTOs 2025.

- Plan an immediate response.
- Plan ongoing strategies.
- Allocate individual roles/responsibilities for ongoing tasks.
- Ensure the incident is recorded in the Critical Incident Register and that a Critical Incident Report Form is completed.
- Ensure international student-related incidents are reviewed for possible PRISMS reporting obligations under the ESOS Act.
- Ensure decisions, communications, and response actions are documented and retained in accordance with TEDI's Records Management Policy.

5.3 Follow up Action:

Based on an evaluation of the critical incident the CEO or most senior person must, where appropriate, implement the following:

- Contact with next of kin/significant others, contact the person mentioned as an emergency contact on Application form
- Inform staff and students of the institute.
- Prepare a guideline for staff about what information to give to students in line with privacy policy.
- Prepare a written bulletin to staff and students if the matter is complex.
- Brief staff and delegate a staff member to deal with telephone/counter inquiries.
- Managing any media- CEO or Delegate will be responsible for handing calls and queries from media.

- When liaising with media, CEO/Delegate must keep privacy legislation in mind and must consult with emergency services prior to providing sensitive information to media, which might affect the functioning of the emergency services.
- Identify students and staff members most closely involved with the incident and ensure that they are offered support and counselling
- Arrange a time and place for an initial group/individual debriefing session with Counsellor/s.
- Arrange access to emergency funds if necessary.
- Review incident records to ensure all reporting (including PRISMS if applicable) has been completed.
- Ensure lessons learned are recorded and presented at the next compliance or management meeting.
- Update the Critical Incident Register and submit completed Critical Incident Report Form to compliance records.
- Identify if there is a need to update policies, procedures, or staff training as part of continuous improvement.

5.4 Record the incident and the following key details to report including:

- The time of the incident.
- The location and nature of the incident.
- The names and roles of persons directly involved in the critical incident.
- The action taken by the institute including any opportunities for improvement.
- The organisations and people contacted by the institute.
- Any follow-up actions taken, including welfare support and communication with emergency contacts.
- Whether PRISMS reporting was completed (if applicable).

5.5 Recording and Reporting Critical Incidents

After critical incident has occurred, CEO will ensure that within 24 hours, a critical incident report is produced and an entry is made in the Critical Incident Register. TEDI will maintain a written record of any critical incident and remedial action taken by TEDI at least two years after the overseas student ceases to be an accepted student.

5.6 Continuous Improvements Register

Following the incident, a senior management review will be undertaken, and recommendations should be provided for continuous improvement register, if appropriate. TEDI will put in place policies and procedures to ensure the incident is not repeated.

This includes identifying whether the incident indicates a systemic issue, training gap, or risk that should be addressed across the organisation. Where improvements are implemented, responsible persons and due dates will be recorded in the register and monitored until completion.
