UNIQUE STUDENT IDENTIFIER (USI) – CONSENT APPLICATION FORM

From 1 January 2015 if you are undertaking nationally recognized training, you will need to have a Unique Student Identifier (USI). This includes all students who are continuing a course they started prior to 2015, and all new students both Domestic and International.

TEDI can be prevented from issuing you with a nationally recognized VET qualification or statement of attainment when you complete your course, if you do not have a USI. In addition, we are required to include your USI in the data we submit to NCVER. For overseas students, your USI will also be used for reporting into PRISMS to meet ESOS Act 2000 and National Code 2018 obligations.

Before completing this form, students should review the Fact Sheet: Student Information for the Unique Student Identifier available at the USI website www.usi.gov.au

Creating your own USI: It is free and easy for you to create your own USI online. You can create your own USI at the USI website www.usi.gov.au/students

If you create your own USI, you should provide your USI to TEDI or email it to admissions@tedi.vic.edu.au, as soon as possible so that your USI can be verified and record updated.

Technical Education Development Institute can create your USI on behalf of you

While students are encouraged to create their own USI, TEDI can assist by creating a USI on your behalf if required. To access this service, please complete and return this consent application form to TEDI at your earliest convenience.
